Under no circumstances are the following to be put in the skip:

Asbestos, fridges, freezers, batteries, gas canisters, paint tins, fluorescent tubes, aerosols, hazardous materials, chemicals, liquids, telegraph poles, railway sleepers or creosote treated timber.

If you do need to dispose of these items, our waste clearance team can assist.

Please inform us if you intend to put the following items in the skip as it may affect the price:

Upholstered furniture, plasterboard, mattresses, any electrical or electronic equipment, black polythene, AstroTurf, tree roots/stumps, carpet, vinyl, rubber matting or roof felt.

Discounted rates available for inert only skips. Any contamination found will result in general waste charges.
